Dear Robin and Steve:

Enclosed is a final copy of the Block P MOU. I have made the changes as requested by Steve in his fax and put the signatures blocks for the two agencies on separate pages for signing purposes. Rick and I will begin the signature process for EPA.

EPA is looking forward to a successful working relationship with the FS and to moving ahead with the cleanup of the Block P Tailings.

Sincerely,

A handwritten signature in cursive script that reads "Rosemary".

Rosemary Rowe
